It features advanced moisture management and wicking technology to keep you dry through long hours on the field.

# WOMEN'S KEEPER JERSEY

Crew neck construction with internal neck tape.

Highly durable circular knit fabric throughout is breathable, durable & soft to the touch.

It features advanced moisture management and wicking technology to keep you dry through long hours on the field.

# GOLD LEVEL SOCK

**\*Available in 21 colors**

These socks have a breathable construction with compression around the arch and ankle as well as a fold over cuff.

Customize them with your club crest or a pattern of your choice.

Anti-microbial properties keep odors to a minimum while the moisture wicking finish keeps you comfortable through hours of play.

# SILVER LEVEL SOCK

**\*Available in 21 colors**

These socks have a breathable construction with compression around the arch and ankle as well as a fold over cuff.

The same sock construction as our Gold level socks, but without full design capacity.

Anti-microbial properties keep odors to a minimum while the moisture wicking finish keeps you comfortable through hours of play.
