Team Storefront/Purchase Order Payment

After confirming your new order on the next step, please call our customer service at 800-930-1081 to confirm your Team Storefront order or purchase order and have your order approved.

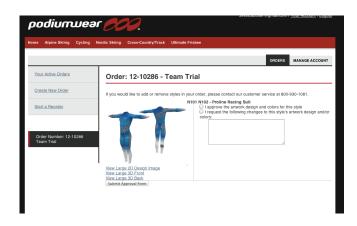

Work on your order will not begin until your order has been approved.

- 5: Please submit your artwork online via email to artwork@podiumwear.com. Artwork can be as rough as a photo of a napkin sketch or as detailed as a vector file from Adobe Illustrator. If you need help with a design, our art team will work with you to create a design at no cost. If you have a very large file, contact us at 800-930-1081 for upload options. Call us any time to talk things over. We are happy to help!
- 6: If this is a new order, we will send you a fabric swatch for color approval once the initial artwork is finished. If this is a re-order, no swatch will be sent.

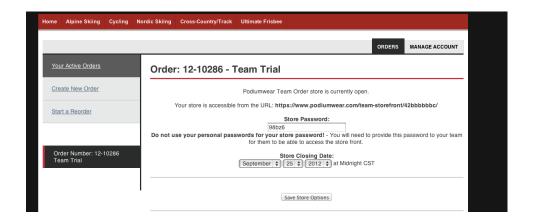

7: Our art team will post 2D and 3D images of your product design/s on your account dashboard within 5 days. You will be emailed when these images are up for you to approve or request additional changes. (See below)

8: Once final artwork is approved by you, the Team Storefront will be ready to open. A link will be provided for you to copy and paste into an email to your teammates. You will also be given a "store password", which you can re-name if you wish.

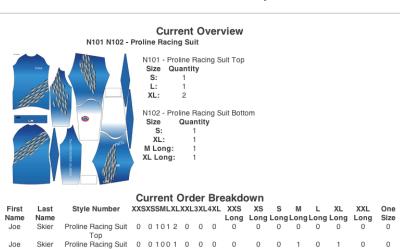

Please enter a date range for the Team Storefront to be open. If no date range is chosen, you will automatically receive a closing date of 2 weeks from the day your password is given. (See below)

9: A summary of the individual orders, showing name, quantities and sizes, will be continually updated at the bottom of your order page for you to track. (See Below)
